**Charles Ackerley, California Architect C-30938**

Currently living in Portland Oregon and seeking part time or consulting assignments that could lead to full time employment.

**Experience:**

- 12/1992 – Currently - *Jennings Ackerley Architects LTD, San Francisco CA*

Design Partner and Director of Design and Planning, providing master planning, design leadership, client relationship, spiritual and operational guidance, employee recruitment, development, and mentoring. Creating, assembling, clear and concise presentations to facilitate decisions and direction, while accepting changing project limitations and goals, and maintaining the vision of the overall project programs, flow of teams, budgets, schedules, and evolving standards. Strong risk management skills to identify potential project challenges and develop mitigation strategies. Strong experience in bringing together overlapping stakeholders and counterparties from different backgrounds and objectives.

With a strong technical perspective, I have experience in every aspect of design and construction from assisting clients in site selection and predesign concept, to construction administration, for projects from Type V to Type I construction, building code interpretation, negotiation, and approval.

A small sampling of my work can be seen at [www.jasf.net](http://www.jasf.net).

- 7/1992 – 10/1992 - *Euro Disney, Walt Disney Imagineering, Paris, France*  
Corrections and modifications to the facades and interiors along The Main Street.
- 1/1988 – 7/1992 - *Brewer Frasier Holland*  
Master Plan and Senior Designer for the Kaiser Walnut Creek Replacement Hospital – A 14.5 AC, 300,000sf two phase replacement hospital, 165,000sf MOB expansion and 4 level parking structure expansion.
- 3/1987 – 1/1988 – *Skidmore Owings and Merrill, San Francisco CA*  
Senior Planner / Designer - Kaiser Hospital Vallejo master plan.
- 4/1986 – 5/1987 - *Kaplan McLaughan and Diaz, San Francisco CA*  
Project Manager - SD/DD - UCSD Ancillary Support Services Building.  
Job Captain - Ancillary Buildings at Pelican Bay Correctional Facility.
- 4/1982 – 3/1986 - *McCoy Associates, Bakersfield CA*  
Design through Construction Administration - With a focus on institutional projects, this exposed me to an entirely different project type and way of thinking. I was involved in SD-CA phases for Mt View School District Gymnasium, Alicante School District Multi-Purpose Building, PG&E Customer Service Center, and SD/DD for Tulare County Courthouses and San Joaquin Medical Center Master Plan.
- 6/1979 – 10/1982 - *Mark Engeline Architect, Bakersfield CA*  
Draftsman / Designer - Single-family homes, office buildings, tenant improvements. A continuation of my experience at Nash Brown, the experience here was a reinforcement of SD-CA phases, project process and design experimentation.
- 8/1977 – 6/1979 - *Nash Brown Associates, Bakersfield CA*  
Draftsman - Single-family homes, tract housing, apartments, office buildings, tenant improvements. There were several projects always going on and in various phases. It was very direct. What was designed in January started construction in July, was occupied in December, and several going at the same time.

**Education:** 6/1976 – 7/1977 – Graduated with honors - Institute of Drafting and Design Engineering, Phoenix AZ.

**Awards / publications:** Awards North Bay Business Journal design award; Kaiser MOB 5, Santa Rosa CA; Ukiah Valley Medical Center Cancer Center, Ukiah CA

**Computer software skills:** Word, Excel, Vectorworks, BIM and 3d applications, Bluebeam, Power Point, InDesign.
